

Dear Clair, Richard and Dave,

We just wanted to say a very big thank you to you for the very generous 'Babies are us voucher'.

This was such a wonderful treat for HOLAH and the babies. We usually get second hand toys that are often broken and not age appropriate so it was so lovely being able to choose good educational toys for our little ones to learn and play with. We are still going back to finish the voucher and get a few more bits.

This really was a lovely idea and so different from our usual donations. Thank you for wanting to make a difference.

Without the generosity and support of the community and people like you, we could not do what we do for these vulnerable babies and kiddies so from the Managers, Staff and Babies at HOLAH – THANK YOU!

Thank you and kind regards

Kim and Leanne
